ROSE SELAVY

VANITY DESK & STOOL - MARQUETRY - 2021

Design by THOMAS DARIEL

The Rose Sélavy name hails from the fictional character created by French artist and Dadaist Marcel Duchamp. The tabletop features a very fine box where one can store their jewellery, as well as two mirrors – a round and extra-large one at the centre and a smaller one that can be detached from the table and used as a hand mirror.
