SEOUL BY DAY

RUG N°3 - 2017

Design by THOMAS DARIEL

The South-Korea capital is known for its twenty-five bridges spanning the vast Hangang River. The collection was born from this idea: the view one may have from the sky looking over Seoul, the graphic and natural patterns created by the river winding its way through the City and crossed by a multitude of bridges connecting both banks and their inhabitants.

MATERIALS & FINISHES

PRODUCT NO

RUG-SBD-N3

COLORS

Blue

Brown
